No.33 Wang Chiu Road, Kowloon Bay,
Kowloon, Hong Kong.

Instructions for playing and labeling

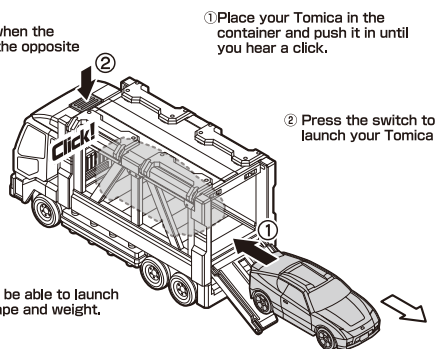

*Please carefully look at the numbers and affix labels according to the diagram and package.
*Labels with numbers in parentheses () should be affixed to the opposite side. *Install the parts as shown in the figure so as not to mistake the front from the back.

When launching from the container box, remove the hatch on the shooter cabin side and open the hatch on the opposite side.

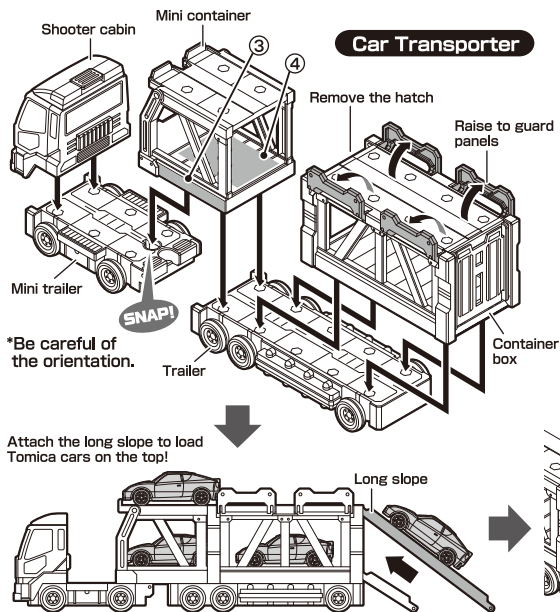

The same applies when the container is set in the opposite orientation.

*Some Tomica may not be able to launch depending on their shape and weight.

Reconfigure to create different types of trucks!
